

## THE CARE YOU NEED – AT HOME

### Home and Community Care offers peace of mind.

Parkwood's compassionate, professional team has provided kind, quality care for residents since the early 1960s. Today, we draw from our extensive experience to help older adults live independently as long as possible with peace of mind with the support of Parkwood's Home and Community Care services.

### About Parkwood Seniors Community

Parkwood's commitment to older adults of modest, middle and comfortable means, combined with a growing list of amenities and services on its spacious campus and in its Health and Wellness Centre, makes it a home of choice in the Waterloo Region.

*As a community founded in God's love for all and grounded in faith, each person is valued and respected. We honour the spiritual dimension of the human experience and believe that, with love, the extraordinary is possible.*

## Live well at home

Parkwood offers residents access to Home and Community Support Services to assist with the activities of daily living.

Our team of certified personal support workers and suite attendants are Parkwood employees who embrace our culture of kindness and will get to know you personally. Each staff member is trained to provide quality, professional and holistic care.

We are pleased to share that we have one of the lowest rates of missed care in the province. This means you can rely on our safe, kind care.

Additional hours can be arranged for peace of mind and to ensure residents can maintain their desired level of independence.
