

## WE WILL TAKE CARE OF YOU

### Welcome home to Parkwood Long-Term Care.

Parkwood Mennonite Home is a welcoming, not-for-profit Long-Term Care Home that provides compassionate, kind, quality care for 96 residents. The home offers 58 private and 19 shared rooms. It is divided into three resident home areas: Snyder's Corner, Weber Woods and Bauman Homestead, which is designed to meet the special needs of residents experiencing dementia.

### About Parkwood Seniors Community

Parkwood's commitment to older adults of modest, middle and comfortable means, combined with a growing list of amenities and services on its spacious campus and in its Health and Wellness Centre, makes it a home of choice in the Waterloo Region.

*As a community founded in God's love for all and grounded in faith, each person is valued and respected. We honour the spiritual dimension of the human experience and believe that, with love, the extraordinary is possible.*

## Parkwood Long-Term Care Home

Residents' rooms are comfortably furnished with a bed, night table, lamp, wardrobe, dress and chair. Low profile windowsills provide views of the neighbourhood and brighten each room. We encourage residents to bring family photos, pictures and mementos to personalize their room. Each resident is also provided with a 'memory box' at the entrance of their room to display their cherished treasures.

Our staff meet with each resident and their family to review their personal plan of care, which is updated annually or as required. Family members are encouraged to join our voluntary Resident Council and Family Council.

Residents of Parkwood have full use of the many amenities on campus, including the Health and Wellness Centre, dining room, a hair salon and spa, games and activities rooms and spiritual care. Take advantage of the comfortable lounge areas and beautiful walking paths, gardens and benches to enjoy a visit, indoors and outdoors. Special events, like monthly birthday parties and ice cream days, are held throughout the year and residents are encouraged to enjoy the amenities, programs and services available supported by our kind, qualified team.

Parkwood's food services and nutrition staff are proud to offer residents healthy, home-cooked meals, served three times daily plus snacks.
