We are writing to you as you expressed an interest in *The Delphine and Lloyd Martin Apartments* and have been placed on the 'waitlist'.

The Delphine and Lloyd Martin Apartments

The Delphine and Lloyd Martin Apartments will be an integral part of the vibrant Parkwood campus. The building has been purposefully designed and the campus is expanding to nurture a sense of community for older adults, where all are welcome. Amenities, such as a dining room, café, lounges and wellness centre are intended to support the whole person – physical, social and spiritual.

Construction

We have realized significant steps forward. During the summer the site plan was approved, the building permit was received and Van-Del Construction (our construction manager) has mobilized the site, cleared the grounds and started the construction of the building. The construction is moving forward on time. The anticipated completion of The Delphine and Lloyd Martin Apartments is winter 2023/24. We will greet new residents to our vibrant campus shortly there after.

To see pictures of the progress, we invite you to see the [gallery available](#) on the website.

Presentation Centre

The Presentation Centre for The Delphine and Lloyd Martin Apartments will be opening late January 2023. The Presentation Centre will provide the opportunity to see floor plans, suite layouts, pricing, finishes for the building and learn more about the amenities.

Waitlist

Those who have placed their name on the 'waitlist' for The Delphine and Lloyd Martin Apartments will be contacted to set up a time in late January. Those who are interested in securing a unit will be able to place a deposit at the appointment.
