

THE CARE YOU NEED – AT HOME

Home and Community Care offers peace of mind.

Parkwood's compassionate, professional team has provided kind, quality care for residents since the early 1960s. Today, we draw from our extensive experience to help older adults live independently as long as possible with peace of mind with the support of Parkwood's Home and Community Care services.

About Parkwood Seniors Community

Parkwood's commitment to older adults of modest, middle and comfortable means, combined with a growing list of amenities and services on its spacious campus and in its Health and Wellness Centre, makes it a home of choice in the Waterloo Region.

As a community founded in God's love for all and grounded in faith, each person is valued and respected. We honour the spiritual dimension of the human experience and believe that, with love, the extraordinary is possible.
